Shooting Sports Certification Workshops

A Wisconsin 4-H Shooting Sports Leader may be certified in archery, coordinator, muzzleloader, pistol, and rifle and shotgun disciplines. Leaders may only teach in the discipline in which they are certified. An adult leader cannot provide hands-on or safety instruction without a certified leader supervising the range.

All leaders must first complete one 12-hour workshop to be certified. After that, you may be eligible to attend a Saturday, eight-hour range workshop to receive an additional discipline certification. If three years lapse before adding an additional certification, the full 12-hour certification must be repeated. Only one certification may be obtained at any one certification workshop.

Central Area

Date: **September 15-16**, Marshfield, WI

Disciplines: Archery, Coordinator, Muzzleloader, Pistol, Rifle and Shotgun (Must have 4 in each class to offer a discipline)

Registration form to be posted soon on the State Shooting Sports website:

The 4-H Leaders Association will reimburse the \$70 registration fee after the workshop has been completed.
