## Poultry Pullorum/Typhoid Testing

If you still need your poultry tested prior to the fair, you may attend the following testing date in Calumet County.

To exhibit poultry at the Calumet County Fair, birds need:

- NPIP certificate stating that the birds originate from a US. pullorum-typhoid clean or NPIP affiliate flock, or
- A DATCP-issued certificate stating they are from a Wisconsin Tested or Associate Flock or
- Individually test sexually mature birds within 90 days before arrival at the show. These birds also need wing or leg band ID.
- All birds must test negative for pullorum/typhoid, and turkeys must test negative for Mycoplasma gallisepticum.

Pullorum-Typhoid testing will be done on Saturday, **August 19**, from 9:00 am until 12:00 noon, at the Lamers Farm, Rosner Road, Hilbert (or call 810-1333). Participants must bring their Premise ID number to have their birds tested. Premise ID numbers are available at <http://wiid.org/>.

### ***Shooting Sports Certification Workshops***

A Wisconsin 4-H Shooting Sports Leader may be certified in archery, coordinator, muzzleloader, pistol, and rifle and shotgun disciplines. Leaders may only teach in the discipline in which they are certified. An adult leader cannot provide hands-on or safety instruction without a certified leader supervising the range.

All leaders must first complete one 12-hour workshop to be certified. After that, you may be eligible to attend a Saturday, eight-hour range workshop to receive an additional discipline certification. If three years lapse before adding an additional certification, the full 12-hour certification must be repeated. Only one certification may be obtained at any one certification workshop.

#### **Central Area**

Date: **September 15-16**, Marshfield, WI

Disciplines: Archery, Coordinator, Muzzleloader, Pistol, Rifle and Shotgun (Must have 4 in each class to offer a discipline)  
Registration form to be posted soon on the State Shooting Sports website:
