October 20, 2017

Background Check Update

As part of the Volunteer in Preparation (VIP) training and orientation, UW-Extension conducts an initial background check on all new volunteers. **The background check is repeated for every volunteer once every four years.** In the past, the local UW-Extension office conducted the background check through a statewide database. That has changed. The University now conducts a national background check on all volunteers and they work with a contracted vendor - General Information Services (GIS). GIS contacts the volunteer directly via e-mail and requests personal information needed to conduct the background check (including Social Security Number). So, if you are an existing volunteer, you may be contacted by GIS requesting information to conduct a background check. If you have any questions about background checks, please contact 4-H Youth Development Educator, Kevin Palmer, at kevinpalmer@co.manitowoc.wi.us or 920-242-5448.

Volunteer in Preparation Training

New 4-H volunteers are required to attend a 90 minute training session to start the process. Please reserve your place in the training by contacting UW-Extension Program Assistant, Ruth Aebischer, at 683-4169 or ruthaebischer@co.manitowoc.wi.us.

We are asking each club to consider collecting and donating warm winter outer wear for children of all sizes. We are accepting new items including the following: gloves, mittens, socks, hats, scarves, boots, ear muffs, warm head bands or any other outdoor wear you can think of that children need to keep warm! Thank you for considering this cause, the Learning Center at Southfield Townhouse greatly appreciates 4-H clubs support over the years in helping children in need. All donated items can be dropped off at the Extension Office with Ruth or if you are in the Valdars area at Georgia Zutz's home (20001 US Hwy 151, Valdars, WI 54245). If you do not have the time to shop, and your club would like to consider a monetary donation, the Ambassadors will do the shopping for you. Project Central: Woodworking

Tom Klesper is a former Washington County 4-H member and a new Manitowoc County 4-H Woodworking Project Leader from the Two Rivers area. Tom is willing to work with a small group of youth to teach them woodworking skills and help them with their woodworking projects.

Here is what Tom has to say:

“If any 4-H’ers (up to four) are interested in making woodworking projects, I have a small shop with power tools and I am willing to teach/help them with their project. My shop is upstairs, so it is not handicap accessible. Some school shop experience would be helpful but is not required. Youth would be responsible for purchasing their wood, safety glasses, hearing protection, and dust masks for sanding. If the project is going to have a finish, some finishes may also need to be purchased. Projects could include small tables, shelving units or other things. We would meet twice a week for less than 2 hours for several weeks to complete the projects.

If you are interested in this opportunity, please contact Tom directly at ttklesper@gmail.com.

Club Officer Training

There will be a training session for Presidents, Vice Presidents, Secretaries, Treasurers, Club Reporters and Camp Representatives/Reporters on Saturday, November 11th at the Manitowoc County Office Complex at 4319 Expo Drive, Manitowoc. A change this year is that all club officers will meet at the same time – from 9:30 – 11:00 am and a pizza lunch will be served from 11:00 – 11:30 am.

It’s important that all of the listed officers attend, even if you have previously held an office or have been re-elected to the same office. You’re a valuable resource and we would like you to share your officer experience with youth who are just starting to serve in club leadership roles.

Club leaders, please call Ruth at 683-4169 by Friday, November 3 with the number of officers from your club that will be attending the training.
