4-H Senior Livestock Judging National Competition

Manitowoc County 4-H senior livestock judging team attended their second national competition in three years. This time they represented Wisconsin at the North American International Livestock Exposition in Louisville, Kentucky.

Having worked and competed together for the last 7 years, college freshmen Vanessa Roberts and Megan Greif, and high school senior Ambrose Wiering—coached by Robert Ash—placed first at the Wisconsin 4-H state livestock judging competition in Lodi in July, earning them the privilege to represent Wisconsin at the North American International Livestock Expo in Louisville on November 14.

As individuals they judged 11 classes of cattle, sheep, and pigs, ranking four animals in each class and quickly preparing detailed oral reasons for their choices. There were 124 individuals and 34 states represented.

The team placed 23rd and are proud to have represented Wisconsin in a national competition for this second time before graduating from their 4-H experience.

The team thanks all of its many local Manitowoc sponsors for their generous support.

National 4-H Conference

Are you interested in making a difference and having your voice heard at a local, state, and national level? If so, you may want to consider applying for National 4-H Conference! National 4-H Conference is the premiere 4-H working conference where youth make recommendations that impact 4-H and youth programming across the country.

This year's National 4-H Conference will be held April 6-12, 2018 at the National 4-H Center in Chevy Chase, Maryland. A team of up to 10 youth and 2 adults will plan, prepare and represent Wisconsin 4-H Youth Development Programs at the conference. The cost of National 4-H Conference is approximately \$1300. The Manitowoc County 4-H Leaders Association and 4-H Teen Ambassadors will cover half of the cost of this trip experience if a Manitowoc County youth is selected to attend National 4-H Conference as a member of the Wisconsin Delegation.

National 4-H Conference delegates engage in personal development experiences that increase their knowledge, resources, and skills while they discuss topics affecting youth and 4-H programming nationwide. Delegates not only learn while at the conference: they are empowered to create positive social change in their communities and have the opportunity to practice and apply their skills in a real-world setting.

The application is available online at: <https://fyi.uwex.edu/wi4hedopp/national-4-h-conference-application/>.

We hope to see your application by December 1 for this wonderful educational opportunity!

Volunteer in Preparation Training

Date for training:

Wednesday, November 29th, 6-7:30PM

Training will be held in Room 300 at the Manitowoc Co. Office Complex

Background Checks: As part of the Volunteer in Preparation (VIP) training and orientation, UW-Extension conducts an initial background check on all new volunteers. **The background check is repeated for every volunteer once every four years.** In the past, the local UW-Extension office conducted the background check through a statewide database. That has changed. The University now conducts a national background check on all volunteers and they work with a contracted vendor - General Information Services (GIS). GIS contacts the volunteer directly via e-mail and requests personal information needed to conduct the background check (including Social Security Number). So, if you are an existing volunteer, you may be contacted by GIS requesting information to conduct a background check. If you have any questions about background checks, please contact 4-H Youth Development Educator, Kevin Palmer, at kevinpalmer@co.manitowoc.wi.us or 920-242-5448.
