Summer Camp Counselors Needed!

Camp TaPaWingo is looking for responsible teenagers willing to assist with our summer camp program from July 21-25. These are unpaid positions for teens age 14 and over. There is no cost to be a counselor. We realize that some of you have summer jobs lined up, but most employers encourage their employees to become involved in community service. Camp counselor experience translates into excellent management and personnel skills, and it looks great on a resume', scholarship application or college application! To apply, please register as you would for summer camp and fill in all of your contact information and check the "I am 14 years old or older and I would like to be a counselor." box! That's it! We'll be in touch!
