What's New!

Promote Your 4-H Club!

Manitowoc County Expo has invited 4-H clubs to display information about their club on a tri-fold display board! The tri-fold display boards will be mounted in the Exhibition building during the fair. All of the information and any brochures or handouts need to be attached to the display board and boards need to be 36" x 48". Display boards can be dropped off on Monday, August 19 in the Exhibition building. It's a great opportunity for 4-H clubs to promote their club and recruit new members! Any questions about the display boards, please contact 4-H Youth Development Educator, Kevin Palmer at kevin.palmer@wisc.edu.
