What's New!

Manitowoc's Got Talent!

While we can't do an in-person talent show, there will be one online! Do you play an instrument or sing? Have you taught your dog some cool tricks? You could even record a play with your 4-H club over zoom! You can even invite friends and/or family members, who are not 4-H members, to perform with you! Create a video of you performing your talent. Videos can be up to 15 minutes in length. To enter the competition go here: [Manitowoc's Got Talent! Entry Form](#) . Once entered, you will receive a link for uploading your video performance. An online Zoom event displaying entries will be held on Sunday, June 28 at 6:00 pm. Entry and video upload deadline is Monday, June 22. 4-H youth of all ages will have a chance to perform and compete for the cash prizes listed below.

Any questions you can call or email Kevin Palmer 920/242-5448 or kevin.palmer@wisc.edu

4-H Remote Skills Camp

This is a blended certificate course, combining online work with interactive workshops. This educational program is designed to equip youth with college and career readiness skills and tools while introducing them to remote work concepts. Specific objectives and outcomes for each part of the course are identified at the beginning of each set of modules. The program consists of nine core modules, delivered in a self-paced, online format.

Earn this certificate in 30-35 hours (7-9 hours per week over 4weeks)!

For more information go here: <https://remoteworkcertificate.com/index> .

Please note, this camp is being hosted by Utah State University Extension and is open to 4-H members in other states!

Virtual Horse Clinic

Join Kewaunee County 4-H as they learn about in-hand trail from Sara Novotny. In-hand trail will be a new class at the 2021 4-H State Expo.

Volunteer in Preparation (VIP) Training (Virtual Format)

New 4-H volunteers are required to attend a 90-minute training session to start the process. In Volunteer in Preparation (VIP) training (formerly Youth Protection training), volunteers learn about 4-H policies and procedures, essential elements of 4-H, ages and stages, life skills, experiential learning, risk management, insurance and much more! The next VIP training is scheduled for Wednesday, June 3 at 6:00 pm via Zoom! **Pre-registration is required by Friday, May 22!** Once registered, you will receive a packet by mail for the training and a Zoom link by e-mail to connect on the day of the training. Register here: [VIP Training Registration](#) .

Virtual Science Career Opportunity

Scientist Live is a virtual presentation series that gives high school aged youth (and interested 8th graders) an opportunity to meet real world scientist and learn a little about a wide variety of science-related careers!

Theme and Colors:

The 2020 fair theme is “Stars, Stripes and Fair Delights.” Colors for the theme are Red, White and Royal Blue.

Fair book:

The fair book is available online now. <https://www.co.manitowoc.wi.us/departments/expo/manitowoc-county-fair/junior-fair-department/>

Make sure to print off current year fair rules and regulations as there have been changes and updates. Junior Fair exhibitors can order a curriculum guide through your 4-H leader or by calling the Extension Office at 920-683-4169 or if you are an FFA or other organization member, contact them directly.

The curriculum guide allows exhibitors to complete projects in the guide and submit these projects in the Jr. Fair departments.

One Day Passes:

One day passes are available in the Expo Office and make great gift ideas! One day passes are only \$10 and include admission, parking, unlimited Carnival rides, grandstand, and music entertainment.
