#### Manitowoc's Got Talent!

While we can't do an in-person talent show, there will be one online! Do you play an instrument or sing? Have you taught your dog some cool tricks? You could even record a play with your 4-H club over zoom! You can even invite friends and/or family members, who are not 4-H members, to perform with you! Create a video of you performing your talent. Videos can be up to 15 minutes in length. To enter the competition go here: [Manitowoc's Got Talent! Entry Form](#) . Once entered, you will receive a link for uploading your video performance. An online Zoom event displaying entries will be held on Sunday, June 28 at 6:00 pm. Entry and video upload **deadline is Monday, June 22**. 4-H youth of all ages will have a chance to perform and compete for the cash prizes listed below.

This is a blended certificate course, combining online work with interactive workshops. This educational program is designed to equip youth with college and career readiness skills and tools while introducing

them to remote work concepts. Specific objectives and outcomes for each part of the course are identified at the beginning of each set of modules. The program consists of nine core modules, delivered in a self-paced, online format.

Earn this certificate in 30-35 hours (7-9 hours per week over 4weeks)!

For more information go here: <https://remoteworkcertificate.com/index> .
