Agri-view is looking for 4-Hers!

Agri-View is featuring the Next Generation of Agriculture in photos. We will feature photos of anyone still school or having just graduated from school in 2020 and are involved in the agricultural industry. Email your photos as a jpg. attachment to agriview@madison.com (photos should be at least .3M or 300k in size)

Include the following information: Students name, whether they live on a farm, what generation the farm is, and information about the family is desired and what the student is involved in the and their future plans.

Wisconsin Grills Beef 4-H Photo Contest

The Wisconsin Beef Council and Wisconsin 4-H Foundation kicked off the first annual Wisconsin Grills Beef 4H Photo Contest this week!

Farm Wisconsin Welcomes 4-H Members Free!

State and County Fair cancellations might have dampened the plans of many active 4-H youth this summer, but Farm Wisconsin Discovery Center hopes to provide a silver lining. The center welcomes all active youth 4-H members' free admission August 7 through Labor Day, and invites any interested exhibitors to display their projects at the center.

Wisconsin Farm Support Program Re-Opens

Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) reminds farmers who have been impacted by COVID-19 that Wisconsin Farm Support program will reopen for applications from August 10-August 24, 2020.

In Case You Missed It!

Virtual 2020 Wisconsin 4-H Dairy Judging Contest

Saturday, August 29 juniors (grades 3-8) And Seniors (grade 9-13) are invited to display their dairy evaluation skills and compete teams. Eight photo classes and two video oral reasons classes will be presented live via Zoom. Participants will enter scores via a separate software generously provided by World Dairy Expo. With the cancellation of all national 4-H dairy judging contests 2020, this will be a stand-alone, non-qualifying state contest.

Virtual 4-H Dairy Judging

Wisconsin Youth Livestock Program launches new Livestock Lessons

Any youth in the beef, sheep, swine and meat goat projects can develop either an oral presentation or a written public service announcement on an animal of their choice that illustrates what they are learning about and how they can teach others.

New Wisconsin Agriculture Youth Council!

Wisconsin Department of Agriculture and Consumer Protection (DATCP) has created a new Wisconsin Youth Council.

The Wisconsin Youth Council is created to encourage young people to engage with state government and increase their awareness of DATCP's role in Wisconsin's agriculture industry.
