RE: Agriculture Educator Update

It is my pleasure to announce that Angie Ulness has accepted the Agriculture Educator position. She will begin in her position on December 15, 2021.

The Agriculture Educator is a UW Extension position that is fully funded by Manitowoc County. Angie's office is located in the Soil & Water Conservation Department.

We are fortunate to have the opportunity to work with a person who has been an active member of the agricultural community in Manitowoc County. Angie and her family have been operating a dairy farm in Manitowoc County since 2002, she has been very active in our 4-H program, the Manitowoc County Breeders, a 4-H Dairy Judging Coach and a member of the Professional Dairy Producers of Wisconsin.

Angie earned a Bachelor's Degree in Dairy Science from the University of Wisconsin Madison and has 10 years of experience working in the Dairy Industry, both as a Regional Field Representative and a Senior Territory Manager.

Please join me in welcoming Angie Ulness as our Agriculture Educator.

Feel free to contact me with any questions on this or any other issue.

Sincerely,
