WI Leadership Council

HELLO WISCONSIN 4-H'ERS!

Welcome to a new year in Wisconsin 4-H. We are so excited to have you as part of this growing, thriving, and passionate community!

As a 4-H member, you have many opportunities to find your “spark” through experiences at the club, county, state, and national level. Sometimes, there are so many choices it can be difficult to learn about them all or reach out and try something new. That’s where this brand new “4-H Opportunities” booklet comes in! We are excited to provide this one-stop shop for you to explore and dream about all the educational experiences available to you as a Wisconsin 4-H member.

Are you ready to take the next step in 4-H? From attending national trips, joining statewide teams, to exploring the world, the possibilities are (almost) endless. You may not be old enough for all of these experiences yet, but I encourage you to plant the seed of “what could I do in 4-H?” now and watch it grow in the years to come. Many 4-H alumni share inspirational stories about how much they gained (such as new friends, independence, and travel in new communities) from their statewide experiences.

Enjoy learning about all of the amazing opportunities available to you in Wisconsin 4-H!

With gratitude for you,

Jessica Jens
Associate Director
Wisconsin 4-H Program

INBOUND PROGRAMS

Each summer Wisconsin families have the opportunity to host a youth from

Japan, South Korea, Taiwan, Mexico or Costa Rica

No special plans are needed as these youth want to experience American culture, make new friends, and improve their English by staying with your family. Expand your horizons, learn about another culture, and develop lifelong friendships without even leaving your home!

GLOBAL CITIZENSHIP PROGRAMMING

To bring the experience of other cultures and create the opportunity for 4-H youth in Wisconsin to connect with other youth from across the world, WI 4-H International offers several virtual options for connecting participants internationally!
