

# BadgerCare/Medicaid Changes Coming in 2023-2024

## Health Insurance Impacts: Medicaid/BadgerCare

All members need to take action to stay insured

- **Big change:** new or unfamiliar process for many (consumers & workers)
- **Many affected:** 1.6 million currently enrolled in Medicaid/BadgerCare. Urban Institute has estimated 309,000 in Wisconsin could lose eligibility
- **Significant repercussions:** coverage gaps or loss can negatively impact health & finances
- **Tricky timing:** consumers should wait, but then act quickly when their moment to renew or transition arrives
  - Deadlines spread out over 13 months: 5.31.2023 - 5.31.2024
  - Please don't renew early!
  - 45-day renewal window
